**Director**(required for district/council events) \_\_\_\_\_

**Instructor** \_\_\_\_\_ **Instructor** \_\_\_\_\_

**Instructor** \_\_\_\_\_ **Instructor** \_\_\_\_\_

The number of participants per course must be confirmed to the council and can be changed up to seven days before the course. Upon arrival at the course, if the number of participants has changed (increased) the difference in fees paid will have to be paid at that time. Make checks (preferred) payable to "Occoneechee Council".

Refunds for a smaller number of participants cannot be made as staffing was based on the confirmed reservation number.

Send all reservation requests to the Council service center. You will be personally contacted by the COPE or Climbing Director to confirm your request and to discuss any specific program requirements, fees, and any program features you wish to have presented.

**Reservations must be submitted at least 30 days in advance.**
